SILVER VS. GOLD CAMPS IN ARENA

Almost the entire personnel of the Tonopah high school will be in Goldfield this evening to boost and root for the game players from this camp who go against the strong teams of the gold diggers. In the first place the basketball teams will engage in a spirited struggle for the mastery and no one will be disappointed if it should happen that the southern players win the games as they have been practicing all through the season during which the Tonopah school was closed and all gatherings interdicted for fear of influenza. The number of automobiles offered for use of students show a fine spirit among local owners and the students are thankful for the courtesy. Last night the boys' basketball team was chosen as follows: R. Clarke (captain), center; C. Sheerin, right guard; R. Mitchell, left guard; P. Hink, right forward; L. Daoust, left forward; S. R. Midrum, O. Monahan, T. Connors and W. Sawle.

DIVIDE EXTENSION RUNNING A DRIFT

The Divide Extension company is both sinking and drifting. The location of the group adjoining the Brougner Divide leads to the belief that it will not be long before a substantial orebody is found in the Zeb Kendall ground. Sinking was started at 150 feet and the hole is going down at the rate of five feet a day while at the same time, a drift is being run from the 150 point where samples were picked carrying \$500 values. The management will continue this drift to the intersection with a known vein which will be thoroughly prospected.

BUREAU OF MINES BILL IS FAVORED

CARSON CITY, March 8.—A bill by McNamara mending the bureau of mines bill and carrying an appropriation of \$50,000 to be used by the commission in furthering the development of mineral resources of the state was reported favorably. The bill provides a commission to consist of the governor, inspector of mines and ten mining men to be appointed by the governor. The work done by the bureau is to be in cooperation with the state and federal commissions. The commission is to maintain an office in Reno.

JUDGE McFADDEN, OF WHITE PINE, TO DECIDE FEE

J. J. McFadden, district judge of White Pine county, has been designated by Governor Boyle to hear the proceedings to establish the fee to be allowed the law firm of Mack & Green, attorneys for Frank Wildes as receiver for the State Bank and Trust company. Judge McFadden has consented to preside at the hearing. February 27 was the date originally agreed upon by Attorney General Fowler and Mack & Green as the date for hearing the matter and a new date will be fixed to suit the convenience of Judge McFadden. District Judge Taber of Elko county was originally named but he found that he was disqualified by reason of having been at one time Judge Mack's law partner.—Carson News.

SECRETARY DEGAN WRITES FROM PARIS

"The American soldiers and sailors in France are a credit to the U. S. A.," writes J. J. Degau of Tonopah in a letter to the Bonanza. Degau is permanently located in Paris as secretary with the Knights of Columbus.

"Having an opportunity to meet hundreds of the boys, I have been greatly impressed with their gentlemanly manner," Mr. Degau writes. "We have every reason to be proud of the boys who crossed the sea to battle for liberty."

"Today at the Knights of Columbus clubhouse in Paris the entertainment committee has provided a day for the boys. In a large room on the second floor an eight-piece American orchestra is playing while a long line of soldiers and sailors are partaking of the good things that have been provided. More than 1000 American boys are being supplied with hot lunches, cigarettes, fruits, etc. Everything is free to the enlisted men, and in addition an excellent program has been arranged for the evening."

"The Germans are still carrying on their propaganda throughout Europe and the boys who return from the occupied regions, state that the Germans are going out of their way to make the Americans at home. But underneath this veneer of friendship and courtesy may be seen the ever present propaganda which has never been lacking in the land of the boche."

"I meet many Brother Bills in Paris, and I can now realize the good that has been done by the Elks in assisting the Salvation Army. Brother Bills in Tonopah may rest assured that the Salvation Army has been carrying out the program in true Elk fashion. It is a great work."

ONLY BINDERY IN SOUTHERN NEVADA

The Bonanza is prepared to make prompt delivery on all orders for mining certificates and all forms of legal blanks and stationery required by new companies organizing for operation in the Divide district. The Bonanza is the only printing shop in southern Nevada, that is equipped with a bindery capable of delivering work on short notice. The reputation of the Bonanza bindery is well known and the name stands for the best work, in durable leather, well bound with a choice of 59 different forms of certificates. Organizers should give this their attention as it is not necessary to send work outside the camp to get best results. All forms of ruling for account books will receive prompt attention.

PERSONAL

JESSE CHRISTENSEN, of Beaty, was a passenger for Fernley today. MRS. IDA FLOYD was called to Oakland today by the illness of her daughter, Mrs. Florence Harris.

MRS. FRANK HENDERSON is serving as substitute teacher during the absence of Miss Helen Stavin.

WALTER PRATT, agent of the University of Nevada, was a passenger from Goldfield for Reno this morning.

GEORGE O'BRIEN, of the White Caps mill force, passed through from Manhattan this morning on his way to the coast.

E. H. McMURRAY came up from San Francisco, arriving this morning after having spent ten days looking after his mining interests.

A. B. PERKINS, manager of the Carrara Marble company, arrived here from the south accompanied by his wife.

JAMES R. BLAIR, general auditor of the West End Con. and allied companies, has established his family in a beautiful home at 132 Nevada avenue, in Piedmont Cal.

B. N. BATEMAN, of the sheriff's staff, will leave in the morning on a tour of the southern end of the county to take up the work of assessing.

FRED METCALING, district agent of the Nevada-California Power company, motored over from Goldfield this afternoon to look after business involved by removal of his headquarters from the southern camp.

A. CLYDE CAMERON, a mining engineer who spent some time examining the Mayflower mine on which he submitted a report, came in today for the purpose of spending some time on the Divide to familiarize himself with properties and conditions.

ONLY CITIZENS HAVE STATE WORK CHANGE

CARSON CITY, March 8.—Among the bills to go through the senate was assembly bill No. 58, which is aimed to throw all state work on roads, buildings and other state improvements to American citizens.

It was pointed out that from the amount of work contemplated in this state this coming summer and for the next two years, there was not the number of laborers to care for the job, and should end of the job.

After discussion the bill was passed as it was and the bill was passed by the senate and the house.

The bill will now go to the governor.

LOCATION BLANKS in triplicate in book form, on sale at Bonanza of Reno.

AMUSEMENTS

VIOLA DANA AT THE BUTLER TODAY

"Flower of Dusk" is the second of the delightful novels by Myrtle Reed to be adapted for the screen use of Winsome Viola Dana, the charming little Metro star. Heart interest is the keynote of Miss Dana's work and "Flower of Dusk" presents a problem of unusual strength which brings out the beauty and depth of her emotional acting as no other play, except perhaps, "Blue Jeans," for which she became famous all over the world where pictures are shown. The story is one that has held the imagination and is remembered long after the picture has been seen. It is a veritable treasure house of human emotions, the book being written in the quaint old-fashioned New England village where the romance plot was laid. It is Myrtle Reed's sweetest love story—a boy and a girl romance. Live it with Viola Dana today. Added to the program will be a musical Big V comedy, "Black and Potters," a picture that will make you forget your troubles.

Tomorrow, Charles Ray, in "The Family Skeleton" and Ruth Roland in "Hands Up."

NORTH DIVIDE BEGINS HAULING BROKEN ROCK

The North Divide Mining company, a stock buying foundation for engineers and geologists. A five-ton truck is operated between the West End and the mine and the haulage of material will be completed next week. The company has bought a one-ton Ford truck from the Tonopah Auto Supply company which will be used in hauling material between town and the mine.

WOMAN APPOINTED SHERIFF

Mrs. George Crowell, wife of the late Sheriff George Crowell of San Diego county, has been appointed to succeed her late husband as sheriff. Crowell died February 24.

AT AIRDOME TONIGHT

Young's orchestra has just received M. Witmark's orchestration of the fox-trot arrangement, "Have a Smile." Some singing chorus.

HAVE A SMILE

Have a smile for everyone you meet. And everyone will have a smile for you.

Every smile along life's busy street is filled with friendship true. Early tomorrow brings new sorrow—So why borrow tears?

The thing to do is have a smile. For everyone you meet and they will have a smile for you.

Hear it at the Airdome tonight. adv281
